# MANUAL
## PLAYER/MARKER
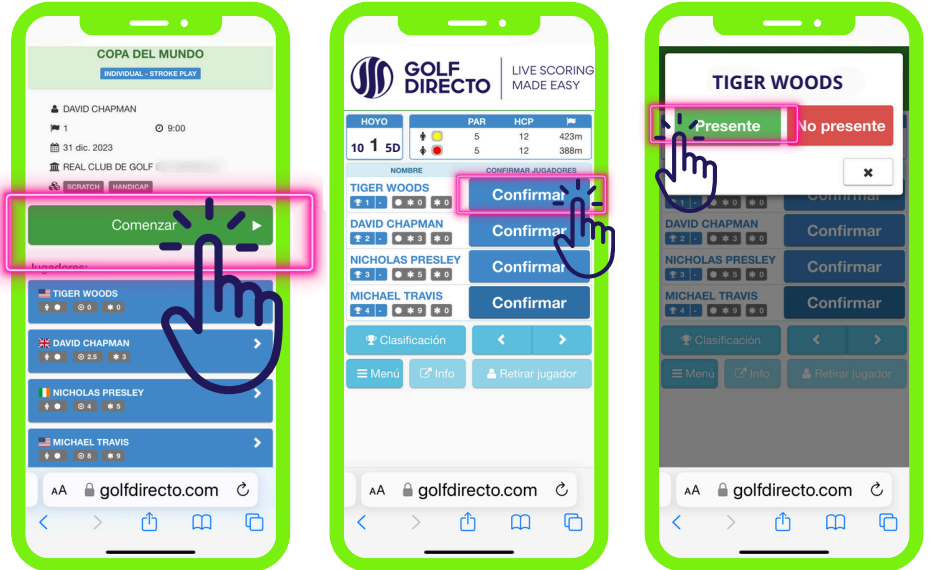

**GOLF DIRECTO** | LIVE SCORING MADE EASY

## ①

### Receiving Your Digital Scorecard:
- You will receive a direct link to your scorecard via email.
- We recommend downloading the GolfDirecto app for a smoother process at www.golfdirecto.com.

### Using Your Scorecard:
- Load your scorecard to view your tee time, handicap, etc.
- At the tee:
  a. Tap Start.
  b. Tap Confirm.
  c. Tap Present.

A single player can confirm the presence of the entire group.

## ②

### After finishing each hole:
Enter two scores: (IMPORTANT)
- Your own as the player.
- The score of the person you are marking for.

Tap + to input each score.

Tap Save to record the score.

## ③

Resolving Discrepancies:
If the player's recorded score differs from the marker's score, a notification will appear.

You must correct the discrepancy before proceeding to the next hole.

Once resolved, you may continue without issues.

# MANUAL
## JUGADOR/MARCADOR
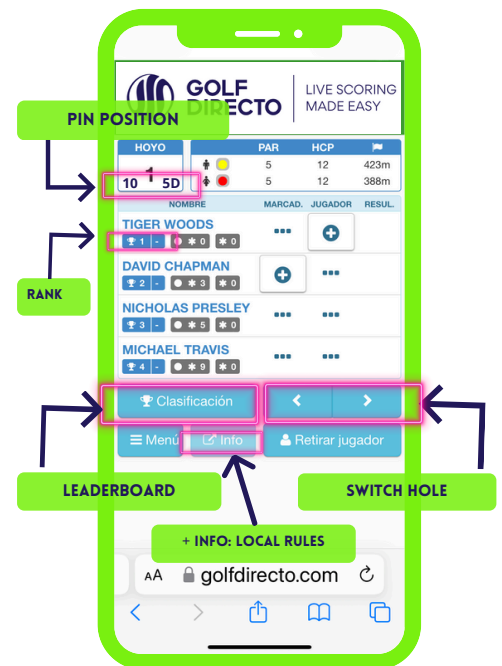

**(4)**

**Digital Scorecard Features:**
Displays hole number, par, distance, pin position, leaderboard rank, handicap, points (if applicable), and access to the leaderboard.

Allows switching between holes, viewing local rules, and other relevant information.

Lets you withdraw a player, with the system automatically adjusting groups and markers.

- Menu Options:
Change language. Navigate to specific holes. View statistics. Set results as Handicap or Scratch.

**5**

Completing the Round:
- After completing all 18 holes, you can only finalize your scorecard if all results are correctly entered.
- Once finalized, no changes can be made. Any corrections must go through the tournament committee. Validate your scorecard.

**6**

Troubleshooting:
**Unable to Enter a Score:**
- Cause: Missing score entries from the previous hole.
- Solution: Check that all prior holes have scores entered. Update any missing scores to proceed.

Recommendation: Immediately input your score and the score of the player you're marking after completing a hole. Ensure the system transitions to the next hole to confirm submission.
